Development Arts Hires Team for West America Commerce Center

September 17, 2007 – Reno, NV – Development Arts, Inc. recently announced its project team for the development of West America Commerce Center, a 1.9 million square foot Class A industrial park located in the Tahoe-Reno Industrial Center in Storey County. Trammel Crow Construction of Reno, Nevada has been selected as the General Contractor. Grubb & Ellis, also of Reno, has been selected as the Leasing Broker. HPA Inc. of Irvine, CA (doing business as DHA Inc. in Nevada) is the project's architect.

Michael Schnabel, a Managing Partner of Development Arts, said "We are extremely pleased with the team we have assembled. There is a great blend of local experience and national best practices knowledge. HPA is the top in its architectural field nationwide, Trammel Crow is the local leader in big-box warehouse construction, and Grubb & Ellis brings a national leasing network with an excellent local team."

Groundbreaking for the first phase of West America Commerce Center will be on September 26, 2007.
